SUBJECT: DISSEMINATION OF ONLINE COURSE INFORMATION ON DIGITAL SAFETY FOR JUNIOR STUDENTS

The digital landscape continuse to evolve at an unprecedented pace, offering vast educational opportunities while simultaneously exposing users, particularly young learners, to a range of emerging cyber risks, in response to these challenges. National CERT has developed an online course titled *"NCERT Certified Junior Cyber Defender."*

2. This initiative is designed to equip students with basic knowledge required to navigate the digital environment securely and responsibly. The course courses on enabling learners to identify potential online threats, safeguard their personal information, adopt best practices for digital safety and develop a heightened sense of awareness while engaging in cyberspace.

3. In view of the above, the course is forwarded to ensure the wide dissemination across all affiliated organizations, schools, and colleges under your jurisdiction. Educational institutions are encouraged to facilitate student participation and promote completion of all course modules, culminating in the award of an official certification by the National CERT.

- **Course Name:** NCERT Certified Junior Cyber Defender
- **Course Link:** https://pkcert.gov.uk/courses/certified-junior-cyber-defender
- **Target Audience:** Age 07-14 years.
- **Outcome:** Certificate of Completion upon successful assessment.

4. It is therefore requested that this letter to be disseminated to all relevant educational institutions to ensure the widespread circulation of this initiative and to facilitate the integration of the course into their student development and capacity-building activities.
